Colonel Burnes for Speaker. Twenty legislatures were chosen, in The following dispatch concerning

tors where terms expire on March 3d Washingtion, November 7 .- A DORYNS & CURRY, Publishers next. Eleven of the retiring Senators friend of Randall is quoted as saying are Republican and nine are Demo- that Mr. Randail does not want to be crats. It eleven Republican and nine the speaker of the next house, but be Democrats are returned the Republic will most likely be the man to name cans will have forty-one members in the speaker. It is well known here that sured of time of the twenty positions to miends in the house are anxious for him be filled, and the Democrats of ten, to be a candidate. He said last winter beg thirty-nine members in the Senate because the labor connected with the will be a Republican majority of two. The country has decided that free trade in that body even if New Jersey choos- and tariff discussion must cease, and es a Democrat. The probability is that therefore at is more than probable that put the Republican majority at four, member is picked out. It is James N. views. Mr. Burnes has just been select-The following shows the political ed for his third term and is considered

> "Who would be chairman of the ways Rep Dem and means committee if Mr. Burnes is made speaker?" was asled a friend of Mr. Randa I to-night.

> > "Foras of Ohio," was the reply. "There are only four members of the present committee returned-Mills of Texas, McMittin, Breckenrulge of Arkansas, and Breckenridge of Kentucky. These are ad free traders and naturally would not be given the chairmanship.53

The same authority gives Holman of 11 Indiana, as chairman of the appropria-5 tions committee, stating that Mr. Randall does not again wish the place because his health will not admit of his doing the work.

The Markets.

There is nothing new to note in the cattle market the past week. Prices remain substantially the same as a week ago. Receipts were more liberal in Chicago, but much the same elsewhere as the week previous. There are still a good many western cattle coming in and they continue to constitute the bulk of receipts. Good straight feeding steers sold fairly well at old prices, but for canning stoff the market was slow, the quitting of the hands in Swift Bros. and Nelse Morris' packing houses in Chicamarket the past few days, and materi-

-including Brumm, of Pennsylvania, was draggy and weak, good corn fed catt'e were held up at fuil last week's prices and such beasts found little tronbie in selling, both cows and steers. ing the Democratic majority of forty- Good feeders, both native and halfbreeds are steady, and fair life may be reported in the market for such cattle. In looking the market all over from East to West, the situation seems to be The result of the elections in North one of fair healthfulnes, though there shire, Nebraska and Connection, but Carolina is one or the greatest surprises is tittle evidence of an immediate adwe lost tremendously, and aimost fatal- in the whole series of extraordinary vance.
